

HABITAT HEROES PHOTOGRAPHY COMPETITION

*North West Local Land Services are conducting a photography competition within the NWLLS region and with the theme **Habitat Heroes**.*

What does the theme mean? The aim of the Habitat Heroes theme is to raise awareness of the plight threatened species within the North West and encourage people to research biodiversity by studying their local environments.

What will the judges be looking for? The judging panel will be looking for images that have been captured in the North West Local Land Services Region no earlier than July 2015. Images should be of native plants and animals in their natural habitat, threatened species or natural landscapes within the North West.
